Re: Shred Works, Inc.
Case 32-RD-262012

Dear Representatives for the Employer:

This office is in receipt of the Employer's request for review in the above-referenced case. Sections 102.5(a) and 102.71(c) of the Board's Rules and Regulations provides that filings must be double-spaced, except that quotations and footnotes may be single spaced. On October 2, 2020, the Employer filed a single-spaced request for review. Thereafter, this office informed the Employer that only double-spaced filings would be accepted. On October 5, 2020, the Employer refiled its request for review in double-spaced format. That filing has been transmitted to the Board for consideration and, accordingly, it is substituted for the Employer's October 2 filing.

Very truly yours,

/s/ Mark G. Eskenazi
Associate Executive Secretary
